Wynns Reframed Shiraz Riesling 2021

*An accident of history reclaimed
Shiraz – with Riesling – reframed
These so-called rogue vines
Make for fascinating wines*

Some Riesling cuttings accidentally made their way into our first Shiraz vineyard.

Now we're unleashing the rogue on purpose.

Gentle acidity and soft red fruits combine in a surprising marriage to brighten any occasion.

Winemaker Comments Sue Hodder

Wynns' oldest Shiraz vineyards originally had some mistaken cuttings mixed in with the planting material, and you sometimes see a flash of white grapes mixed in with the red at crushing. It's a part of Wynns history, re-created with purpose for this wine.

Vineyard Region

Coonawarra

Alcohol 13.1%

Peak Drinking

Now – 2031

Grape Variety

Shiraz Riesling

Nose

It echoes the Rhone tradition of adding a small percentage of Viognier which adds aromatics and a softer texture to structural Shiraz.

Palate

The floral notes of Coonawarra Shiraz are elevated in this blend, and fresh bright fruit is presented with both softness and energy, for a versatile food pairing experience.
